Thank you for helping us in our mission of assisting the shelter animal community. Your donation is providing second chances to pets that previously did not have much hope of finding and staying in a forever home.

We regard our sponsors as key allies in the fight for rescuing, rehabbing and rehoming unwanted animals. If you'd like to join our ranks and become partners in this battle, please consider one of our pledge levels below. Keep in mind, any amount helps NSC towards the goal of connecting responsible owners and new pets.
